ACADEMIC PROGRESS

Students placed on academic suspension following any semester or academic probation for consecutive semesters will forfeit their ability to live at the residence hall. Standards for determining satisfactory academic progress are outlined in the BFIT Student Handbook.

Students withdrawing or dropping all classes for academic or as a result of disciplinary sanctions during any point in the semester will immediately forfeit their opportunity to live at Midtown Hotel*. The student will need to depart from the hall within 24 hours. The student will be responsible for cleaning their room and completing a check-out process with Residence Life staff. Students will not receive a refund for monies paid toward housing. Tuition based refunds are outlined in the BFIT Student Handbook. *BFIT administration reserves the right to assess each situation and render a decision that may differ from policy.*

*Students dropping to part-time status (below 12 credits) during any semester may jeopardize their full-time status in future semesters; therefore forfeiting the opportunity to live at Midtown Hotel. Students are strongly encouraged to speak with their advisors and/or BFIT administrators before dropping a course(s). *BFIT administration reserves the right to assess each situation and render a decision that may differ from policy.*

ALCOHOL /DRUG POLICY

There is a zero tolerance policy for the use, possession or intent to distribute alcohol or drugs on the BFIT or Midtown Hotel campuses. These offenses are serious in nature and will result in sanctions that may include suspension from the residence hall and/or expulsion from the college. In addition to policies outlined in the BFIT Student Handbook the following rules and sanctions exist for residential students:

There will be no use, possession or distribution of alcoholic beverages, regardless of age. Persons 21 or older will have the responsibility of conducting themselves in a professional manner at all times. While the college does not have jurisdiction outside of Midtown Hotel and BFIT, any student that appears intoxicated upon entering either of these buildings will be in violation and subject to sanctions.

There will be no allowance for empty containers of alcohol in any room occupied by a BFIT student. This includes all cans, bottles, paraphernalia, etc. Any Instances of this will result in immediate disciplinary action.

Knowingly being in the presence of someone using, possessing or has the intent to distribute alcohol or drugs is prohibited.

CHECK-IN/ CHECK OUT /BREAK HOUSING POLICY

Check-in policy: Upon arrival at Midtown Hotel, all students will register with Residence Life staff and receive their room card. Before moving any items into the room, the student will inspect and note any problems on the BFIT Room Condition Report (RCR).

Check- out policy: On the day of departure, students must pack all items and clean rooms. Rooms should only contain items that were present on arrival and be in the same condition as when they arrived. Students will then contact a member of Residence Life staff to inspect the room. When clearance has been given, the student and Residence Life staff member will sign the Room Condition Report (RCR). Students will also provide Residence Life staff with room card and proceed to complete their check- out at Midtown Hotel.

Winter/Spring Break Housing: Students do not need to move belongings from their room during designated holiday break periods (i.e. Winter Recess, Spring Break), when the residence hall is officially closed. Students will need to complete a check-out/ check-in process and return room card to Residence Life staff during break periods. Students requesting to stay during Winter/Spring Break closings must gain prior approval from the Director of Residence Life and complete the "Housing Break Petition Form." Requests are not guaranteed and students approved may be subject to an additional housing fee.

As part of the initial check-in policy all students must obtain a BFIT ID. The photo ID will assist both organizations with proper identification of students and their guests throughout the school year. Failure to comply with this request will result in forfeiture of guests and or visitor rights until it has been fulfilled.

CONSOLIDATION

Due to limited space within our residential facility, at certain times during the academic year it may become necessary to consolidate residents by reassigning them to new rooms.

Room consolidation is a procedure through which the Office of Residence Life provides the maximum amount of space to students in the residence hall. The process affects students who live in a room with an empty bed space, which occurs when a roommate does not arrive or a roommate moves out of the room.

The purpose of the policy is to ensure spaces for incoming students and rectify the inequitable condition which exists when many students end up living alone (without roommates) in rooms traditionally designated as multiple occupancy. Since the college does lease housing space, the goal is to be cost efficient as well to keep housing costs affordable.

Students living in a room with a vacancy will receive correspondence from the Office of Residence Life describing their consolidation options. Students required to move due to the consolidation policy will be required to move within seventy-two (72) hours of receipt of their e-mail.

FOOD SERVICE

Students living at the Midtown Hotel are not required to have a meal plan. Each room comes equipped with a microwave and refrigerator, allowing students to prepare light meals in their room. There is a Shaws Supermarket located a few blocks away on Huntington Avenue.

Students are encouraged to participate in the BFIT sponsored “**Husky Card Meal Plan**” or “**Lunch Plan**” which is advertised on the College’s website. The Husky Card program is a program in collaboration with Northeastern University, while the Lunch Plan is a program in collaboration with local restaurants that allow students a discount on meals during the lunch hour near the College in the South End. Please see the College’s website for further information and a list of participating businesses.

FRONT DESK SERVICES (MIDTOWN HOTEL)

The Front Desk is open 24 hours per day, every day. A supervisor is on duty or on call at all times.

Mail / Packages

Students are able to receive incoming mail at the Midtown Hotel. All mail should be addressed as:

|---|

Keys / Card Access

If a student misplaces or loses their card access, they can stop by the Front Desk to get a new card. A fee may be assessed for frequent card replacements.

Informational Services

Tourist information, lists of local restaurants and directions are available. The Front Desk personnel are available to help in many ways or will refer BFIT Students to the appropriate resources.

Security

The Front Desk personnel are trained to monitor the front door. Exterior doors are locked at 11:00 PM nightly and access to the building is then gained through the front door.

Vacuum

Students can borrow a vacuum from the front desk if they need to do some light cleaning in their room. Housekeeping is not available to the students, as room cleanliness will be the student’s responsibility.

MEETINGS

Community Meetings

Monthly meetings will be scheduled at Midtown Hotel for all BFIT residential students. This will be an opportunity to review policies, procedures, social activities and respond to student questions or concerns. **This meeting is mandatory for all students.** Any conflicts with meeting times must be discussed with a member of Residence Life staff prior to the meeting. Students not in attendance for

any reason are responsible for all information discussed at the meeting.

There is a private bathroom located in each student room and it is the student's responsibility for the care and cleanliness of the bathroom. Students are expected to provide their own bathroom towels and toilet paper, as they are not provided by the Midtown Hotel.

Cluttered Rooms

Fire regulations require that a clear path be maintained from the door of the room to the window. In addition, rooms must be clear of clutter. The City of Boston's Inspection Services will be contacted to inspect cluttered rooms. BFIT Students may be asked to vacate the room for excessive clutter, or face a conduct violation.

Furniture and Cleanliness

BFIT students are expected to maintain a clean and neat room. There will be Health and Safety room checks by Residence Life staff during each semester. Students must contact the Residence Life staff before removing any furniture from the room. No public/community furniture from Midtown Hotel is allowed in student rooms and should not be removed from any public areas.

BFIT students are solely responsible for insuring their personal property at Midtown Hotel. BFIT and Midtown Hotel acknowledge that all personal property in or about building shall be at the sole risk of the student and the College is not liable for property of any kind which may be lost, stolen, damaged or destroyed by theft, fire, water, steam or by any other cause.

Pets

With the exception of fish, all other pets are not allowed in Midtown Hotel

Proper Attire and Behavior

Proper attire and shoes are required at all times in the Midtown Hotel. Students should dress appropriately when entering and exiting the building, as the Midtown Hotel is shared with travelers and guests to Boston.

Students are also reminded to engage in appropriate behavior when entering and exiting the building. BFIT students are acting as ambassadors of the College when at the Midtown Hotel and are expected to engage in behavior that positively represents the College. Students whose behavior does not represent the College favorably may be subject to Conduct violations and no longer be permitted to live in campus-provided housing. Examples of negative public behaviors can include, but not be limited to, yelling and screaming in the hallways and lobby, using vulgar and profane language, and bouncing and hitting sports balls throughout the building.

Students are asked to keep the noise level at a minimum and refrain from congregating in hallways. Noise should not be heard outside of student rooms during Quiet Hours. It is the student's responsibility to make sure all room guests are respecting the Quiet Hours policy. Students in violation of quiet hours will incur sanctions inclusive of

probation and expulsion from the dormitory.

Courtesy Hours are in effect at all times and mean that students should be respectful of all students and community members living in the Midtown Hotel. Students should feel comfortable enough to speak with each other to request that noise be lowered to ensure an environment conducive to academic success. Students who have excessive noise coming from their room at any time of day may be subject to a Quiet Hours violation.

Students are reminded that they live in a residential neighborhood 24 hours a day. Noise from persons, electronic devices (televisions, stereos, etc.) must be kept a respectful level at all times of day to be determined by BFIT and Midtown Hotel staff.

Room Doors

Room doors should be guided to open and close to avoid slamming. Fire laws prohibit attaching anything flammable to the front or back of the door EXCEPT for approved fire safety signage.

Smoking

Midtown Hotel is a non- smoking facility. Students are not permitted to smoke within 25 feet of the main entrance and should not be blocking the main entrance to the building for guests and visitors. Please see the front desk for the location of designated smoking areas.

Smoking anywhere in the hotel is prohibited, and may result in a \$250.00 per incident fine.

Swimming Pool

Midtown Hotel is equipped with an outdoor swimming pool that is open seasonally from May to September. Students are urged to act in a safe and responsible manner when utilizing the swimming facilities. Since the swimming pool is in an outdoor courtyard, students are expected to not engage in any behaviors that will disrupt any other guests or residents in the surrounding areas. Access to the pool area will be redistricted if students engage in any behaviors that are deemed negative, dangerous, or disrespectful.

The pool area will be open from 9am to 8pm daily and should only be used while a lifeguard is on duty.

Students engaging in any dangerous activities will be expelled from campus-housing immediately.

PROPERTY DAMAGE

Any property damage that occurs as a result of student actions will result in repayment by the student(s) involved. Once a student(s) has been identified by the Residence Life staff or Midtown Hotel staff as having involvement they will be subject to a conduct meeting with the Director of Residence Life and Student Conduct. Included in the sanctions will be monetary repayment for all damages. The student(s) will be billed by BFIT. **If responsibility for the damage cannot be accurately determined, the entire floor will be responsible for repayment of damages.** The total cost of damage and repair will be assessed by both the Midtown Hotel staff and BFIT administration.

Students wishing to appeal room damage charges must do so, in writing, within 30 days of the charges being applied to the student's account. All appeals must be in writing and submitted to the Director of Residence Life. **Community damage charges that are applied to the whole floor, or a group on the floor, are not able to be appealed.**

RIGHT OF ENTRY

If the Residence Life staff has suspicion that any student is engaging in illegal or harmful activity to themselves or others the staff member will ask to enter the room. The occupant(s) of the room must open the door immediately with no exception. Failure to comply will result in immediate sanctions ranging from verbal warning to expulsion from the residence hall. Further penalties may follow depending on the severity of the issue.

IN EMERGENCY SITUATIONS THE STAFF WILL ENTER A BFIT STUDENT'S ROOM

Each month, two members of the Midtown Hotel, along with BFIT residence life staff, will conduct room inspections. Midtown Hotel and BFIT staff will do the best they can at notifying each student of upcoming room inspections. Both staffs also reserve the right to inspect a room at any time there is suspicious cause.

Routine security procedures and policies are posted noticeably at BFIT. Emergency protocol is posted throughout the college. All campus security issues should be reported to the Director of Security.
