

**Job Title:** Construction Co-op (Summer Full-Time)

**Location:** Chelmsford, MA

**Organization:** CDM Smith

CDM Smith provides lasting and integrated solutions in water, environment, transportation, energy and facilities to public and private clients worldwide. As a full-service engineering and construction firm, we deliver exceptional client service, quality results and enduring value across the entire project life cycle. To learn more, visit [here](#).

**Job Responsibilities:**

DM Smith's Chelmsford, MA office is looking for a full time construction/civil engineering Student Co-op to join our team for Summer 2015! You'll be working with a dynamic team of industry leading engineers on a diverse portfolio of public, federal, and industrial projects. Students in this construction internship would be supporting various projects both in the field and the office. Field support could possibly be with setting up a new job – field measurements/layouts, assisting field crew, and documentation support for superintendent. Office support will include locating subcontract options, checking drawings, contacting vendors for quotes, and general office assistance. You will primarily support the superintendent, project engineer and the project coordinator.

**Job Requirements:**

Currently enrolled and pursuing a Bachelors degree in Construction Management, Civil Engineering or a related discipline is required.

2 years of completed coursework and construction experience is preferred but not required.
