

**Job Title:** Warehouse Repairs Technician

**Organization:** Reflex Lighting

**Location:** Boston, MA

Reflex Lighting is one of the largest lighting agencies in New England.

We work with over 90 leading manufacturers to bring to market the most advanced lighting technology. We help architects and designers select lighting products and create lighting systems that are as energy efficient and cost effective as they are pleasing to the eye. We help contractors with every aspect of lighting implementation—from budgeting and bidding to on-site planning and installation. We provide distributors with the products, services, and knowledge they need to better serve their customers.
