Canvas Login Guide for Students

What is CANVAS?

CANVAS is our student platform where you will have access to your:

- Class Syllabus
- Class Assignments
- Grades (updated in real time)
- Professor via chat, conference or inbox

Steps for CANVAS Set Up:

1. Navigate to the BFIT homepage (BFIT.EDU) . Please scroll down to the bottom of the webpage and click the Canvas link (see below):

The screenshot shows a web browser window with the URL bfit.edu. The page features a navigation bar with links for 'Log In to Canvas', 'Home - Benjamin F...', 'Attend HE', 'Veera Bridge', 'BFIT Mail Forwardin...', 'Faculty Portal Login', and 'Starfish'. Below the navigation bar is a gallery of images. At the bottom of the page, there is a dark blue footer with the following content:

The 'Canvas' link in the footer is circled in red. A URL bar at the bottom left shows <https://www.bfit.edu/privacy-policy/>.

2. Once you arrive at the Canvas homepage, please click “forgot password” (see below). **I know it might seem weird because you don’t have a password to forget yet, but this is the only way to create one.**

3. Once you click “forgot password,” it will bring you to the reset page and ask for your email. **YOU MUST USE YOUR BFIT EMAIL ADDRESS!** (i.e. [MJones3457@ben.bfit.edu](mailto: MJones3457@ben.bfit.edu).) **YOUR PASSWORD LINK WILL NOT BE CREATED IF YOU DO NOT USE YOUR BFIT EMAIL ADDRESS**

If you don't know your BFIT email address, how to do you find it? You have two options:

- Option 1: You should have received an email about login information for your BFIT Student Portal and Office 365 accounts. This email provides **usernames** and a **password**, along with links to the **2 websites** where you can login and get started
 - Option 2: Ask staff or faculty for help
4. Once you've entered your BFIT email, click "request password." It will send a link to your email – just follow the link to set your password. **Check your spam/junk folder!** You will be all good to go once you set it up! Go back to the Canvas login, enter your BFIT email address and your new password . . . enjoy Canvas!
